ADJUSTMENT OF QUOTAS

The first interval of five years, at the end of which the Fund shall review the quotas of the members in accordance with Article III, Section 2, began on the date when the Fund Agreement, in accordance with Article XX, Section 1,¹ entered into force; i.e., on December 27, 1945.

*Decision No. 408-2,
March 11, 1949*

REFORM OF QUOTA AND VOICE IN THE INTERNATIONAL MONETARY FUND

In accordance with Section 13 of the By-Laws, the following Resolution was submitted to the Governors on March 28, 2008 for a vote without meeting. Considering that the Resolution is also proposing adjustments in the quotas of members that have requested such adjustment and whose names are listed in Attachment I of the Resolution, the adoption of the Resolution requires positive responses from Governors having an eighty-five percent majority of the total voting power:

WHEREAS in response to the request of the Board of Governors set forth in Resolution 61-5, the Executive Board has submitted to the Board of Governors a report entitled “Reform of Quota and Voice in the International Monetary Fund: Report of the Executive Board to the Board of Governors,” hereinafter the “Report”; and

WHEREAS the Executive Board has recommended increases in the quotas of a number of Fund members, all of whom have requested that their quotas be increased; and

¹ Ed. Note: Corresponds to Article XXXI, Section 1 of the Articles of Agreement after the Second Amendment.

WHEREAS in response to the request of the Board of Governors set forth in Resolution 61-5, the Executive Board has proposed an amendment of the Articles of Agreement that (a) would have the effect of increasing the number of basic votes of members and establish a mechanism to ensure that the ratio of the sum of the basic votes of all members to the sum of the total voting power of all members remains constant and (b) would enable each Executive Director elected by a large number of members to appoint a second Alternate Executive Director; and

WHEREAS the Chairman of the Board of Governors has requested the Secretary of the Fund to bring the proposal of the Executive Board before the Board of Governors; and

WHEREAS the Report of the Executive Board setting forth its proposal has been submitted to the Board of Governors by the Secretary of the Fund; and

WHEREAS the Executive Board has requested the Board of Governors to vote on the following Resolution without meeting, pursuant to Section 13 of the By-Laws of the Fund:

NOW THEREFORE, the Board of Governors, noting the recommendation and the said Report of the Executive Board, hereby RESOLVES that:

A. Increase in Quotas of Members

1. The International Monetary Fund proposes that, subject to the provisions of this Resolution, the quotas of members of the Fund listed in Attachment I to this Resolution shall be increased to the amounts shown against their names in Attachment I.

2. A member's increase in quota shall not become effective unless the member in question has consented in writing to the increase and has paid to the Fund the full amount of such increase. Each member shall pay 25 percent of its increase either in special drawing rights or in the currencies of other members specified, with their concurrence, by the Fund, or in any combination of special drawing rights and such currencies. The balance of the increase shall be paid by each member in its own currency.

QUOTAS AND SUBSCRIPTIONS

3. Each member shall consent to the proposed increase of its quota no later than October 31, 2008; provided that the Executive Board may extend this period as it may determine, taking into account, in particular, the need of members to obtain domestic legislative approval.

4. Each member shall pay to the Fund the increase in its quota within 30 days of the later of (a) the date on which it notifies the Fund of its consent or (b) the date on which the requirement for the effectiveness of the increase in quota under paragraph 5 below has been met; provided that the Executive Board may extend the payment period as it may determine.¹

5. No increase in quota shall become effective before the entry into force of the proposed amendment of the Articles of Agreement approved by this Resolution.

B. Future Quota Reviews

To ensure that members' quota shares continue to reflect their relative positions in the world economy, the Executive Board is requested to recommend further realignments of members' quota shares in the context of future general quota reviews, beginning with the Fourteenth General Review of Quotas.

RESOLVED:

WHEREAS the Executive Board has submitted to the Board of Governors a report entitled “Fourteenth General Review of Quotas and Reform of the Executive Board: Report of the Executive Board to the Board of Governors,” hereinafter the “Report”; and

WHEREAS the International Monetary and Financial Committee in its April 2009 Communiqué called on the Executive Board to bring forward the deadline for completion of the Fourteenth General Review of Quotas by two years, to January 2011; and

WHEREAS the Executive Board has recommended increases in the quotas of members of the Fund as a result of the Fourteenth General Review of Quotas; and

WHEREAS the Executive Board has recommended an amendment of the Articles of Agreement to establish an Executive Board consisting solely of elected Executive Directors; and

WHEREAS the Executive Board has recommended that, following the first regular election of Executive Directors after entry into force of the proposed amendment of the Articles of Agreement approved under Board of Governors Resolution No. 63-2, an Executive Director elected by 7 or more members should be entitled to appoint two Alternate Executive Directors; and

WHEREAS the Chairman of the Board of Governors has requested the Secretary of the Fund to bring the proposal of the Executive Board before the Board of Governors; and

WHEREAS the Report of the Executive Board setting forth its proposal has been submitted to the Board of Governors by the Secretary of the Fund; and

WHEREAS the Executive Board has requested the Board of Governors to vote on the following Resolution without meeting, pursuant to Section 13 of the By-Laws of the Fund:

NOW, THEREFORE, the Board of Governors, noting the recommendations and the said Report of the Executive Board, hereby RESOLVES that:

Increases in Quotas of Members

1. The International Monetary Fund proposes that, subject to the provisions of this Resolution, the quotas of members of the Fund shall be increased to the amounts shown against their names in Attachment I to this Resolution.

2. A member's increase in quota as proposed by this Resolution shall not become effective unless that member has consented in writing to the increase not later than the date prescribed by or under paragraph 4 below and has paid the increase in full within the period prescribed by or under paragraph 5 below, provided that no member with overdue repurchases, charges, or assessments to the General Resources Account may consent to or pay for the increase in its quota until it becomes current in respect of those obligations.

3. No increase in quotas proposed by this Resolution shall become effective until:

(i) the Executive Board has determined that members having not less than 70 percent of the total of quotas on November 5, 2010 have consented in writing to the increases in their quotas;

(ii) the proposed amendment of the Articles of Agreement set out in Attachment II of this Resolution has entered into force; and

(iii) the proposed amendment of the Articles of Agreement approved under Board of Governors Resolution No. 63-2 has entered into force. Each member commits to use its best efforts to complete these steps no later than the Annual Meetings in 2012. The Executive Board is requested to monitor, on a quarterly basis, the progress made in the implementation of these steps.

QUOTAS AND SUBSCRIPTIONS

4. Notices in accordance with paragraph 2 above shall be executed by a duly authorized official of the member and must be received in the Fund before 6:00 p.m., Washington time, December 31, 2011, provided that the Executive Board may extend this period as it may determine.¹

5. Each member shall pay to the Fund the increase in its quota within 30 days after the later of (a) the date on which it notifies the Fund of its consent, or (b) the date on which all of the conditions set forth in paragraph 3 above are met, provided that the Executive Board may extend the payment period as it may determine.²

6. When deciding on an extension of the period for consent to or payment for the increase in quotas, the Executive Board shall give particular consideration to the situation of members that may still wish to consent to or pay for the increase in quota, including members with protracted arrears to the General Resources Account, consisting of overdue repurchases, charges, or assessments to the General Resources Account that, in its judgment, are cooperating with the Fund toward the settlement of these obligations.

7. For members that have not yet consented to their increases in quotas under the Eleventh General Review and under Board of Governors Resolution No. 63-2, the deadline for consent to such quota increases shall be the date determined by or under paragraph 4 above.

8. Each member shall pay 25 percent of its increase either in special drawing rights or in the currencies of other members specified, with their concurrence, by the Fund, or in any combination of special drawing rights and such currencies. The balance of the increase shall be paid by the member in its own currency.

¹ Ed. Note: Decision No. 16123-(17/1), December 27, 2016, extended the deadline to 6:00 p.m., Washington time, on June 30, 2017.

² Ed. Note: Decision No. 16124-(17/1), December 27, 2016, states: "Pursuant to paragraph 5 of Board of Governors Resolution No. 66-2, Fourteenth General Review of Quotas and Reform of the Executive Board, the Executive Board decides that each member shall pay to the Fund the increase in its quota under the Fourteenth General Review by the later of (a) June 30, 2017, or (b) 30 days after the date on which it notifies the Fund of its consent."

Quota Formula and Fifteenth General Review of Quotas

9. The Executive Board is requested to complete a comprehensive review of the formula by January 2013.

10. The Executive Board is requested to bring forward the timetable for completion of the Fifteenth General Review of Quotas to January 2014. Any realignment is expected to result in increases in the quota shares of dynamic economies in line with their relative positions in the world economy, and hence likely in the share of emerging market and developing countries as a whole. Steps shall be taken to protect the voice and representation of the poorest members.

Review of NAB Credit Arrangements

11. In light of the proposed increases in quotas under the Fourteenth General Review, the Executive Board and participants in the New Arrangements to Borrow (NAB) are requested to undertake a review of NAB credit arrangements by November 2011, with a corresponding roll-back of the NAB, preserving relative shares, to become effective when the conditions set forth in paragraph 3 of this Resolution are met and the quota payments associated with the participation threshold in paragraph 3(i) of this Resolution have been made.

Proposed Amendment of the Articles of Agreement of the International Monetary Fund on the Reform of the Executive Board

12. The proposed amendment of the Articles of Agreement of the International Monetary Fund set forth in Attachment II to this Resolution (the “Proposed Amendment on the Reform of the Executive Board”) is approved.

13. The Secretary is directed to ask all members of the Fund, by circular letter or telegram, or other rapid means of communication, whether they accept, in accordance with the provisions of Article XXVIII of the Articles, the Proposed Amendment on the Reform of the Executive Board.

14. The communication to be sent to all members in accordance with paragraph 13 of this Resolution shall specify that the Proposed

Amendment on the Reform of the Executive Board shall enter into force for all members on the date on which the Fund certifies, by a normal communication addressed to all members, that three-fifths of the members, having eighty-five percent of the total voting power, have accepted the Proposed Amendment on the reform of the Executive Board.¹

Additional Alternate Executive Directors

15. Following the first regular election of Executive Directors after the entry into force of the amendment of the Articles of Agreement approved under Board of Governors Resolution No. 63-2, an Executive Director elected by seven or more members shall be entitled to appoint two Alternate Executive Directors.

16. As a condition for appointing two Alternate Executive Directors, an Executive Director is required to designate by notification to the Secretary of the Fund: (i) the Alternate who shall act for the Executive Director when he is not present and both Alternates are present; and (ii) the Alternate who shall exercise the powers of the Executive Director pursuant to Article XII, Section 3(f). By notification to the Secretary of the Fund, an Executive Director may change these designations at any time.

Size and Composition of the Executive Board

17. The Board of Governors takes note of: (i) the commitment to reduce, as a means of achieving greater representation of emerging market and developing countries, the number of Executive Directors representing advanced European countries by two no later than the first regular election of Executive Directors after the conditions set forth in paragraph 3 of this Resolution are met, and (ii) the commitment of the Fund's membership to maintain an Executive Board consisting of 24 Executive Directors, and to review the composition of the Executive Board every eight years following the date the conditions set forth in paragraph 3 of this Resolution are met.

¹ Ed. Note: The Seventh Amendment on the Reform of the Executive Board entered into force for all Fund members on January 26, 2016 (Decision No. 15914-(16/7), January 26, 2016).

GOLD AND CURRENCY SUBSCRIBED TO THE FUND AND ACCOUNTING BY MEMBERS FOR TRANSACTIONS WITH THE FUND

The following principles should be observed by members in reflecting their participation in the Fund in their accounts:

1. Gold and currency subscribed to the Fund are clearly within its unrestricted ownership. They do not belong in any way to the subscriber.

2. Although the accounting practices of a member are primarily its own concern, each member should prepare its accounts in such a way that misconceptions as to the ownership of the gold and currency subscribed to the Fund would be avoided. ...

GUIDELINES ON PAYMENT OF RESERVE ASSETS IN CONNECTION WITH SUBSCRIPTIONS

The Executive Board approves the draft “Guidelines for Determining the Amount of Reserve Assets to Be Paid in Connection with Subscriptions” set forth [below].

*Decision No. 6266-(79/156),
September 10, 1979*

Guidelines for Determining the Amount of Reserve Assets to Be Paid in Connection with Subscriptions

The following are proposed for adoption by the Executive Board as guidelines for Committees of the Executive Board when considering the amount of a subscription that should be paid in reserve assets:

1. These guidelines shall be taken into account by a Committee of the Executive Board established to consider an application for membership in the Fund or to consider a request for an increase in quota that is made outside the framework of a general review of quotas. In applying the guidelines, a Committee shall pay due regard to present and prospective economic and financial circumstances of the country concerned.

2. In view of the requirement of Article II, Section 2, that the terms for membership, including the terms for subscriptions, shall be based on principles consistent with those applied to other countries that are already members, new members will be expected to pay a part of their initial subscription in reserve assets. The payment of reserve assets in connection with the initial subscription of a new member is largely a matter of exchanging one form of reserves for another.

3. The amount of the subscription to be paid in reserve assets shall be determined in the light of all the payments of reserve assets made by existing members and the country's external reserve position at the time of membership.

4. A reasonable approximation of the amount of the subscription that has been paid in reserve assets in the past is the average of all reserve assets actually paid in terms of the quotas of all members, rather than the proportions paid in the past by individual members. In making the calculation of the reserve assets to be paid, account will be taken of the repurchases made in the past by members, including those made in accordance with Schedule B of the amended Articles, and of sales of the currencies of members made to reduce to that level the amounts of the member's currency paid in excess of 75 percent of quota by a member that had joined the Fund before the date of the Second Amendment.

Taking into account the asset payments made by all members in connection with the Sixth General Review of Quotas and adding them to the sum of asset payments taken as the equivalent of 25 percent of total quotas as of the date of the Second Amendment, the reserve asset payments made by all members average 20 percent of present quotas. In the event that all eligible members consent to the full increases in their quotas approved under the Seventh General Review of Quotas and taking into account that 25 percent of any increase in quotas is to be paid in SDRs (or acceptable currency for nonparticipants), the reserve asset payment made by eligible members will average 21.7 percent of total quotas.

Consequently, for the period prior to the coming into effect of the quotas approved under the Seventh General Review of

QUOTAS AND SUBSCRIPTIONS

Quotas, the reserve asset payment for a country applying for membership can normally be expected to be of the order of 20 percent of its initial quota; after the Seventh General Review is completed, the reserve asset payment for a country applying for membership would rise to the order of 21.7 percent of its initial quota.

5. Normally, countries joining the Fund would be expected to make a payment of reserve assets in the amount, in terms of quota, calculated along the lines outlined in paragraph 3 above. However, consideration may be given, at the request of a prospective new member, for a payment of reserve assets smaller than the average size of such payments in terms of all quotas. In exceptional circumstances, and in light of the actual and prospective balance of payments and gross reserve position of the prospective member (including its ability to acquire or mobilize external financial assets and also any allocations of SDRs that might be in prospect) at the time its application is being considered, the size of the reserve asset payment may be reduced, provided that it is not less than the equivalent of 10 percent of the member's gross reserves or 10 percent of initial quota, whichever was the higher.

6. In determining the amount of the reserve asset payment, account should also be taken of the effect the size of such payment would have on the remuneration that might be payable to the new member. This factor would ameliorate a higher reserve asset payment in terms of quota because the acquisition of a remunerated reserve tranche position would tend to ease the loss of interest income involved in the payment of a reserve asset. However, there may be circumstances where the new member has a reserve level somewhat below the average level of all members or when other features of its external financial position would seem to call for some mitigation of the payment. In such circumstances, the norm for remuneration could be applied for the new member rather than the average of reserve asset payments made in the past noted in paragraph 3 above. As the norm for remuneration is likely to rise over time, the applicability of this approach would need to be kept under review and would be subject to the minimum payment in paragraph 5 above.

7. As regards the amount of reserve asset payments to be made in connection with ad hoc increases in quotas which occur outside

a general review of quotas, and to the extent that such increases are effectively a “catching up” of the quota increases already granted to other members in past general reviews, the amount of the reserve assets to be paid shall be based on the amount of reserve assets required as a result of such past general reviews. For other ad hoc increases, if any, the amount of the reserve asset payment shall be equivalent to 25 percent of the increase in quota.

8. As regards the media of payment, payments of reserve assets shall be made in SDRs to the maximum extent practicable or in a currency that is acceptable to the Fund and which is included in the operational budget as a currency that could be sold on a net basis for the foreseeable future.
