B. Transitional Provisions

SCHEDULE B**Transitional Provisions with Respect to Repurchase, Payment of Additional Subscriptions, Gold, and Certain Operational Matters**

1. Repurchase obligations that have accrued pursuant to Article V, Section 7(b) before the date of the second amendment of this Agreement and that remain undischarged at that date shall be discharged not later than the date or dates at which the obligations had to be discharged in accordance with the provisions of this Agreement before the second amendment.

2. A member shall discharge with special drawing rights any obligation to pay gold to the Fund in repurchase or as a subscription that is outstanding at the date of the second amendment of this Agreement, but the Fund may prescribe that these payments may be made in whole or in part in the currencies of other members specified by the Fund. A nonparticipant shall discharge an obligation that must be paid in special drawing rights pursuant to this provision with the currencies of other members specified by the Fund.

3. For the purposes of 2 above 0.888 671 gram of fine gold shall be equivalent to one special drawing right, and the amount of currency payable under 2 above shall be determined on that basis and on the basis of the value of the currency in terms of the special drawing right at the date of discharge.

4. A member's currency held by the Fund in excess of seventy-five percent of the member's quota at the date of the second amendment of this Agreement and not subject to repurchase under 1 above shall be repurchased in accordance with the following rules:

- (i) Holdings that resulted from a purchase shall be repurchased in accordance with the policy on the use of the Fund's general resources under which the purchase was made.
- (ii) Other holdings shall be repurchased not later than four years after the date of the second amendment of this Agreement.

B. Transitional Provisions

5. Repurchases under 1 above that are not subject to 2 above, repurchases under 4 above, and any specification of currencies under 2 above shall be in accordance with Article V, Section 7(i).

6. All rules and regulations, rates, procedures, and decisions in effect at the date of the second amendment of this Agreement shall remain in effect until they are changed in accordance with the provisions of this Agreement.

7. To the extent that arrangements equivalent in effect to (a) and (b) below have not been completed before the date of the second amendment of this Agreement, the Fund shall

- (a) sell up to 25 million ounces of fine gold held by it on August 31, 1975, to those members that were members on that date and that agree to buy it, in proportion to their quotas on that date. The sale to a member under this subparagraph (a) shall be made in exchange for its currency and at a price equivalent at the time of sale to one special drawing right per 0.888 671 gram of fine gold, and
- (b) sell up to 25 million ounces of fine gold held by it on August 31, 1975, for the benefit of developing members that were members on that date, provided, however, that the part of any profits or surplus value of the gold that corresponds to the proportion of such a member's quota on August 31, 1975, to the total of the quotas of all members on that date shall be transferred directly to each such member. The requirements under Article V, Section 12(c) that the Fund consult a member, obtain a member's concurrence, or exchange a member's currency for the currencies of other members in certain circumstances shall apply with respect to currency received by the Fund as a result of sales of gold under this provision, other than sales to a member in return for its own currency, and placed in the General Resources Account.

Upon the sale of gold under this paragraph 7, an amount of the proceeds in the currencies received equivalent at the time of sale to one special drawing right per 0.888 671 gram of fine gold shall be placed in the General Resources Account and other assets held by the Fund under arrangements pursuant to (b) above shall be held separately from the

C. Par Values

general resources of the Fund. Assets that remain subject to disposition by the Fund upon termination of arrangements pursuant to (b) above shall be transferred to the Special Disbursement Account.

SCHEDULE C

Par Values

1. The Fund shall notify members that par values may be established for the purposes of this Agreement, in accordance with Article IV, Sections 1, 3, 4, and 5 and this Schedule, in terms of the special drawing right, or in terms of such other common denominator as is prescribed by the Fund. The common denominator shall not be gold or a currency.

2. A member that intends to establish a par value for its currency shall propose a par value to the Fund within a reasonable time after notice is given under 1 above.

3. Any member that does not intend to establish a par value for its currency under 1 above shall consult with the Fund and ensure that its exchange arrangements are consistent with the purposes of the Fund and are adequate to fulfill its obligations under Article IV, Section 1.

4. The Fund shall concur in or object to a proposed par value within a reasonable period after receipt of the proposal. A proposed par value shall not take effect for the purposes of this Agreement if the Fund objects to it, and the member shall be subject to 3 above. The Fund shall not object because of the domestic social or political policies of the member proposing the par value.

5. Each member that has a par value for its currency undertakes to apply appropriate measures consistent with this Agreement in order to ensure that the maximum and the minimum rates for spot exchange transactions taking place within its territories between its currency and the currencies of other members maintaining par values shall not differ from parity by more than four and one-half percent or by such other margin or margins as the Fund may adopt by an eighty-five percent majority of the total voting power.

C. Par Values

6. A member shall not propose a change in the par value of its currency except to correct, or prevent the emergence of, a fundamental disequilibrium. A change may be made only on the proposal of the member and only after consultation with the Fund.

7. When a change is proposed, the Fund shall concur in or object to the proposed par value within a reasonable period after receipt of the proposal. The Fund shall concur if it is satisfied that the change is necessary to correct, or prevent the emergence of, a fundamental disequilibrium. The Fund shall not object because of the domestic social or political policies of the member proposing the change. A proposed change in par value shall not take effect for the purposes of this Agreement if the Fund objects to it. If a member changes the par value of its currency despite the objection of the Fund, the member shall be subject to Article XXVI, Section 2. Maintenance of an unrealistic par value by a member shall be discouraged by the Fund.

8. The par value of a member's currency established under this Agreement shall cease to exist for the purposes of this Agreement if the member informs the Fund that it intends to terminate the par value. The Fund may object to the termination of a par value by a decision taken by an eighty-five percent majority of the total voting power. If a member terminates a par value for its currency despite the objection of the Fund, the member shall be subject to Article XXVI, Section 2. A par value established under this Agreement shall cease to exist for the purposes of this Agreement if the member terminates the par value despite the objection of the Fund, or if the Fund finds that the member does not maintain rates for a substantial volume of exchange transactions in accordance with 5 above, provided that the Fund may not make such finding unless it has consulted the member and given it sixty days notice of the Fund's intention to consider whether to make a finding.

9. If the par value of the currency of a member has ceased to exist under 8 above, the member shall consult with the Fund and ensure that its exchange arrangements are consistent with the purposes of the Fund and are adequate to fulfill its obligations under Article IV, Section 1.

10. A member for whose currency the par value has ceased to exist under 8 above may, at any time, propose a new par value for its currency.

D. Council

11. Notwithstanding 6 above, the Fund, by a seventy percent majority of the total voting power, may make uniform proportionate changes in all par values if the special drawing right is the common denominator and the changes will not affect the value of the special drawing right. The par value of a member's currency shall, however, not be changed under this provision if, within seven days after the Fund's action, the member informs the Fund that it does not wish the par value of its currency to be changed by such action.

SCHEDULE D

- (c) The Council may by regulation establish a procedure whereby the Executive Board may obtain a vote of the Councillors on a specific question without a meeting of the Council when in the judgment of the Executive Board an action must be taken by the Council which should not be postponed until the next meeting of the Council and which does not warrant the calling of a special meeting.

office immediately prior to the entry into force of this Schedule, shall be deemed to have been elected by the member who appointed him; and

- (b) Each Executive Director who cast the number of votes of a member pursuant to former Article XII, Section 3(i)(ii) immediately prior to the entry into force of this Schedule, shall be deemed to have been elected by such a member.

SCHEDULE F

Designation

During the first basic period the rules for designation shall be as follows:

- (a) Participants subject to designation under Article XIX, Section 5(a)(i) shall be designated for such amounts as will promote over time equality in the ratios of the participants' holdings of special drawing rights in excess of their net cumulative allocations to their official holdings of gold and foreign exchange.
- (b) The formula to give effect to (a) above shall be such that participants subject to designation shall be designated:
 - (i) in proportion to their official holdings of gold and foreign exchange when the ratios described in (a) above are equal; and
 - (ii) in such manner as gradually to reduce the difference between the ratios described in (a) above that are low and the ratios that are high.

G. Reconstitution

SCHEDULE G**Reconstitution**

1. During the first basic period the rules for reconstitution shall be as follows:

- (a) (i) A participant shall so use and reconstitute its holdings of special drawing rights that, five years after the first allocation and at the end of each calendar quarter thereafter, the average of its total daily holdings of special drawing rights over the most recent five-year period will be not less than thirty percent of the average of its daily net cumulative allocation of special drawing rights over the same period.
- (ii) Two years after the first allocation and at the end of each calendar month thereafter the Fund shall make calculations for each participant so as to ascertain whether and to what extent the participant would need to acquire special drawing rights between the date of the calculation and the end of any five-year period in order to comply with the requirement in (a)(i) above. The Fund shall adopt regulations with respect to the bases on which these calculations shall be made and with respect to the timing of the designation of participants under Article XIX, Section 5(a)(ii), in order to assist them to comply with the requirement in (a)(i) above.
- (iii) The Fund shall give special notice to a participant when the calculations under (a)(ii) above indicate that it is unlikely that the participant will be able to comply with the requirement in (a)(i) above unless it ceases to use special drawing rights for the rest of the period for which the calculation was made under (a)(ii) above.
- (iv) A participant that needs to acquire special drawing rights to fulfill this obligation shall be obligated and entitled to obtain them, for currency acceptable to the Fund, in a transaction with the Fund conducted through the General Resources Account. If sufficient special drawing rights to fulfill this obligation cannot be obtained in this way, the

H. Termination of Participation

participant shall be obligated and entitled to obtain them with a freely usable currency from a participant which the Fund shall specify.

- (b) Participants shall also pay due regard to the desirability of pursuing over time a balanced relationship between their holdings of special drawing rights and their other reserves.
2. If a participant fails to comply with the rules for reconstitution, the Fund shall determine whether or not the circumstances justify suspension under Article XXIII, Section 2(b).

SCHEDULE H

Termination of Participation

1. If the obligation remaining after the setoff under Article XXIV, Section 2(b) is to the terminating participant and agreement on settlement between the Fund and the terminating participant is not reached within six months of the date of termination, the Fund shall redeem this balance of special drawing rights in equal half-yearly installments within a maximum of five years of the date of termination. The Fund shall redeem this balance as it may determine, either (a) by the payment to the terminating participant of the amounts provided by the remaining participants to the Fund in accordance with Article XXIV, Section 5, or (b) by permitting the terminating participant to use its special drawing rights to obtain its own currency or a freely usable currency from a participant specified by the Fund, the General Resources Account, or any other holder.

2. If the obligation remaining after the setoff under Article XXIV, Section 2(b) is to the Fund and agreement on settlement is not reached within six months of the date of termination, the terminating participant shall discharge this obligation in equal half-yearly installments within three years of the date of termination or within such longer period as may be fixed by the Fund. The terminating participant shall discharge this obligation, as the Fund may determine, either (a) by the payment to the Fund of a freely usable currency, or (b) by obtaining special drawing rights, in accordance with Article XXIV, Section 6, from the General Resources Account or in agreement with a

I. Administration of Liquidation of the Special Drawing Rights Department

participant specified by the Fund or from any other holder, and the setoff of these special drawing rights against the installment due.

3. Installments under either 1 or 2 above shall fall due six months after the date of termination and at intervals of six months thereafter.

4. In the event of the Special Drawing Rights Department going into liquidation under Article XXV within six months of the date a participant terminates its participation, the settlement between the Fund and that government shall be made in accordance with Article XXV and Schedule I.

SCHEDULE I

**Administration of Liquidation of the
Special Drawing Rights Department**

1. In the event of liquidation of the Special Drawing Rights Department, participants shall discharge their obligations to the Fund in ten half-yearly installments, or in such longer period as the Fund may decide is needed, in a freely usable currency and the currencies of participants holding special drawing rights to be redeemed in any installment to the extent of such redemption, as determined by the Fund. The first half-yearly payment shall be made six months after the decision to liquidate the Special Drawing Rights Department.

2. If it is decided to liquidate the Fund within six months of the date of the decision to liquidate the Special Drawing Rights Department, the liquidation of the Special Drawing Rights Department shall not proceed until special drawing rights held in the General Resources Account have been distributed in accordance with the following rule:

After the distributions made under 2(a) and (b) of Schedule K, the Fund shall apportion its special drawing rights held in the General Resources Account among all members that are participants in proportion to the amounts due to each participant after the distribution under 2(b). To determine the amount due to each member for the purpose of apportioning the remainder of its holdings of each currency under 2(d) of Schedule K, the Fund shall deduct the distribution of special drawing rights made under this rule.

I. Administration of Liquidation of the Special Drawing Rights Department

3. With the amounts received under 1 above, the Fund shall redeem special drawing rights held by holders in the following manner and order:

- (a) Special drawing rights held by governments that have terminated their participation more than six months before the date the Board of Governors decides to liquidate the Special Drawing Rights Department shall be redeemed in accordance with the terms of any agreement under Article XXIV or Schedule H.
- (b) Special drawing rights held by holders that are not participants shall be redeemed before those held by participants, and shall be redeemed in proportion to the amount held by each holder.
- (c) The Fund shall determine the proportion of special drawing rights held by each participant in relation to its net cumulative allocation. The Fund shall first redeem special drawing rights from the participants with the highest proportion until this proportion is reduced to that of the second highest proportion; the Fund shall then redeem the special drawing rights held by these participants in accordance with their net cumulative allocations until the proportions are reduced to that of the third highest proportion; and this process shall be continued until the amount available for redemption is exhausted.

4. Any amount that a participant will be entitled to receive in redemption under 3 above shall be set off against any amount to be paid under 1 above.

5. During liquidation the Fund shall pay interest on the amount of special drawing rights held by holders, and each participant shall pay charges on the net cumulative allocation of special drawing rights to it less the amount of any payments made in accordance with 1 above. The rates of interest and charges and the time of payment shall be determined by the Fund. Payments of interest and charges shall be made in special drawing rights to the extent possible. A participant that does not hold sufficient special drawing rights to meet any charges shall make the payment with a currency specified by the Fund. Special drawing rights received as charges in amounts needed

J. Settlement of Accounts with Members Withdrawing

for administrative expenses shall not be used for the payment of interest, but shall be transferred to the Fund and shall be redeemed first and with the currencies used by the Fund to meet its expenses.

6. While a participant is in default with respect to any payment required by 1 or 5 above, no amounts shall be paid to it in accordance with 3 or 5 above.

7. If after the final payments have been made to participants each participant not in default does not hold special drawing rights in the same proportion to its net cumulative allocation, those participants holding a lower proportion shall purchase from those holding a higher proportion such amounts in accordance with arrangements made by the Fund as will make the proportion of their holdings of special drawing rights the same. Each participant in default shall pay to the Fund its own currency in an amount equal to its default. The Fund shall apportion this currency and residual claims among participants in proportion to the amount of special drawing rights held by each and these special drawing rights shall be cancelled. The Fund shall then close the books of the Special Drawing Rights Department and all of the Fund's liabilities arising from the allocations of special drawing rights and the administration of the Special Drawing Rights Department shall cease.

8. Each participant whose currency is distributed to other participants under this Schedule guarantees the unrestricted use of such currency at all times for the purchase of goods or for payments of sums due to it or to persons in its territories. Each participant so obligated agrees to compensate other participants for any loss resulting from the difference between the value at which the Fund distributed its currency under this Schedule and the value realized by such participants on disposal of its currency.

SCHEDULE J

Settlement of Accounts with Members Withdrawing

1. The settlement of accounts with respect to the General Resources Account shall be made according to 1 to 6 of this Schedule. The Fund shall be obligated to pay to a member withdrawing an amount equal

J. Settlement of Accounts with Members Withdrawing

to its quota, plus any other amounts due to it from the Fund, less any amounts due to the Fund, including charges accruing after the date of its withdrawal; but no payment shall be made until six months after the date of withdrawal. Payments shall be made in the currency of the withdrawing member, and for this purpose the Fund may transfer to the General Resources Account holdings of the member's currency in the Special Disbursement Account or in the Investment Account in exchange for an equivalent amount of the currencies of other members in the General Resources Account selected by the Fund with their concurrence.

2. If the Fund's holdings of the currency of the withdrawing member are not sufficient to pay the net amount due from the Fund, the balance shall be paid in a freely usable currency, or in such other manner as may be agreed. If the Fund and the withdrawing member do not reach agreement within six months of the date of withdrawal, the currency in question held by the Fund shall be paid forthwith to the withdrawing member. Any balance due shall be paid in ten half-yearly installments during the ensuing five years. Each such installment shall be paid, at the option of the Fund, either in the currency of the withdrawing member acquired after its withdrawal or in a freely usable currency.

3. If the Fund fails to meet any installment which is due in accordance with the preceding paragraphs, the withdrawing member shall be entitled to require the Fund to pay the installment in any currency held by the Fund with the exception of any currency which has been declared scarce under Article VII, Section 3.

4. If the Fund's holdings of the currency of a withdrawing member exceed the amount due to it, and if agreement on the method of settling accounts is not reached within six months of the date of withdrawal, the former member shall be obligated to redeem such excess currency in a freely usable currency. Redemption shall be made at the rates at which the Fund would sell such currencies at the time of withdrawal from the Fund. The withdrawing member shall complete redemption within five years of the date of withdrawal, or within such longer period as may be fixed by the Fund, but shall not be required to redeem in any half-yearly period more than one-tenth of the Fund's excess holdings of its currency at the date of withdrawal plus further acquisitions of the currency during such half-yearly period. If the

J. Settlement of Accounts with Members Withdrawing

withdrawing member does not fulfill this obligation, the Fund may in an orderly manner liquidate in any market the amount of currency which should have been redeemed.

5. Any member desiring to obtain the currency of a member which has withdrawn shall acquire it by purchase from the Fund, to the extent that such member has access to the general resources of the Fund and that such currency is available under 4 above.

6. The withdrawing member guarantees the unrestricted use at all times of the currency disposed of under 4 and 5 above for the purchase of goods or for payment of sums due to it or to persons within its territories. It shall compensate the Fund for any loss resulting from the difference between the value of its currency in terms of the special drawing right on the date of withdrawal and the value realized in terms of the special drawing right by the Fund on disposal under 4 and 5 above.

7. If the withdrawing member is indebted to the Fund as the result of transactions conducted through the Special Disbursement Account under Article V, Section 12(*f*)(ii), the indebtedness shall be discharged in accordance with the terms of the indebtedness.

8. If the Fund holds the withdrawing member's currency in the Special Disbursement Account or in the Investment Account, the Fund may in an orderly manner exchange in any market for the currencies of members the amount of the currency of the withdrawing member remaining in each account after use under 1 above, and the proceeds of the exchange of the amount in each account shall be kept in that account. Paragraph 5 above and the first sentence of 6 above shall apply to the withdrawing member's currency.

9. If the Fund holds obligations of the withdrawing member in the Special Disbursement Account pursuant to Article V, Section 12(*h*), or in the Investment Account, the Fund may hold them until the date of maturity or dispose of them sooner. Paragraph 8 above shall apply to the proceeds of such disinvestment.

10. In the event of the Fund going into liquidation under Article XXVII, Section 2 within six months of the date on which the member withdraws, the accounts between the Fund and that government

K. Administration of Liquidation

shall be settled in accordance with Article XXVII, Section 2 and Schedule K.

SCHEDULE K

Administration of Liquidation

1. In the event of liquidation the liabilities of the Fund other than the repayment of subscriptions shall have priority in the distribution of the assets of the Fund. In meeting each such liability the Fund shall use its assets in the following order:

- (a) the currency in which the liability is payable;
- (b) gold;
- (c) all other currencies in proportion, so far as may be practicable, to the quotas of the members.

2. After the discharge of the Fund's liabilities in accordance with 1 above, the balance of the Fund's assets shall be distributed and apportioned as follows:

- (a) (i) The Fund shall calculate the value of gold held on August 31, 1975 that it continues to hold on the date of the decision to liquidate. The calculation shall be made in accordance with 9 below and also on the basis of one special drawing right per 0.888 671 gram of fine gold on the date of liquidation. Gold equivalent to the excess of the former value over the latter shall be distributed to those members that were members on August 31, 1975 in proportion to their quotas on that date.
 - (ii) The Fund shall distribute any assets held in the Special Disbursement Account on the date of the decision to liquidate to those members that were members on August 31, 1975 in proportion to their quotas on that date. Each type of asset shall be distributed proportionately to members.
- (b) The Fund shall distribute its remaining holdings of gold among the members whose currencies are held by the

K. Administration of Liquidation

Fund in amounts less than their quotas in the proportions, but not in excess of, the amounts by which their quotas exceed the Fund's holdings of their currencies.

- (c) The Fund shall distribute to each member one-half the Fund's holdings of its currency but such distribution shall not exceed fifty percent of its quota.
- (d) The Fund shall apportion the remainder of its holdings of gold and each currency
 - (i) among all members in proportion to, but not in excess of, the amounts due to each member after the distributions under (b) and (c) above, provided that distribution under 2(a) above shall not be taken into account for determining the amounts due, and
 - (ii) any excess holdings of gold and currency among all the members in proportion to their quotas.

3. Each member shall redeem the holdings of its currency apportioned to other members under 2(d) above, and shall agree with the Fund within three months after a decision to liquidate upon an orderly procedure for such redemption.

If the member does not fulfill this obligation, the amount of currency which should have been redeemed may be liquidated in an orderly manner in any market.

8. Each member whose currency has been distributed to other members under 6 above guarantees the unrestricted use of such currency at all times for the purchase of goods or for payment of sums due to it or to persons in its territories. Each member so obligated agrees to compensate other members for any loss resulting from the difference between the value of its currency in terms of the special drawing right on the date of the decision to liquidate the Fund and the value in terms of the special drawing right realized by such members on disposal of its currency.
