INTERNATIONAL MONETARY FUND

Staff Country Reports

Kuwait: Statistical Appendix

This Statistical Appendix for **Kuwait** was prepared by a staff team of the International Monetary Fund as background documentation for the periodic consultation with the member country. It is based on the information available at the time it was completed on **January 16, 2004**. The views expressed in this document are those of the staff team and do not necessarily reflect the views of the government of **Kuwait** or the Executive Board of the IMF.

The policy of publication of staff reports and other documents by the IMF allows for the deletion of market-sensitive information.

To assist the IMF in evaluating the publication policy, reader comments are invited and may be sent by e-mail to publicationpolicy@imf.org.

Copies of this report are available to the public from

1/ The fiscal year was shortened to 9 months in 2000/01 FY in preparation for changing the fiscal year from June–July to April–March. Accordingly, the figures reported for this year were grossed up to 12 months.

2/ Excluded from national budget presentation.

3/ Excludes revenues from utility tariffs (included in the national budget presentation) which are factored in (subtracted) in subsidies and transfers.

4/ For 1999/2000 budget, includes an additional allocation to wages and salaries made on August 15, 1999.

5/ Covers interest on treasury bills and bonds, and on DCP bonds. Only the latter is included in the national budget presentation.
