

Federated States of Micronesia: Selected Issues and Statistical Appendix

This Selected Issues paper for the **Federated States of Micronesia** was prepared by a staff team of the International Monetary Fund as background documentation for the periodic consultation with the member country. It is based on the information available at the time it was completed on **February 9, 2005**. The views expressed in this document are those of the staff team and do not necessarily reflect the views of the government of the **Federated States of Micronesia** or the Executive Board of the IMF.

The policy of publication of staff reports and other documents by the IMF allows for the deletion of market-sensitive information.

To assist the IMF in evaluating the publication policy, reader comments are invited and may be sent by e-mail to publicationpolicy@imf.org.
