1/ The calculation of NPL ratio is based on the *Financial Soundness Indicators Compilation Guide* (page 183, Appendix II, paragraph 22). Accrued interest on NPA is excluded from both the numerator and denominator.

2/ Ratios are much higher in end-March 2011 due to a corporate loan that has surpassed the 90-day tenor as of March 2011. This loan has been settled subsequently.

3/ ... indicates that data are not available.
