Report on the Incidence of Longer-Term Program Engagement

Prepared by Strategy, Policy, and Review Department¹

In consultation with other departments

Approved by Siddharth Tiwari
July 5, 2012

1. Longer-term program engagement (LTPE) occurs when a member has spent at least seven of the past 10 years under Fund-supported financial arrangements.² In response to the Executive Board's request for periodic updates on the incidence of LTPEs, this is the thirteenth such report and provides information through June 27, 2012.³
2. An Ex Post Assessment (EPA) is required for members considered as having LTPE that wish to request successor arrangements, provided at least five years have passed since the last EPA for the member.⁴ As of June 27, 2012, the Executive Board had discussed EPAs for 53 members. Six more LTPE cases were assessed since the last update to the Executive Board (Burundi, Malawi, Nicaragua, Niger, São Tomé and Príncipe, and Republic of Serbia).

¹ Prepared by Ferhan Salman, Katsiaryna Svirydzenka, and Trung Thanh Bui.

² Fund financial arrangements that qualify for the definition of LTPE are those drawing on upper credit tranche GRA or PRGF-ESF/PRGT resources, or any blend of the two. An outright purchase under the ESF, RAC, RCF, ENDA/EPCA, or RFI does not count towards LTPE. Further, time spent under the Policy Support Instrument (PSI), the precautionary use of the Flexible Credit Line (FCL), Precautionary and Liquidity Line (PLL), or the GRA or PRGT resources that remain undrawn throughout the arrangement does not count toward LTPE. For a complete definition of LTPE, see "[Public Information Notice of Ex Post Assessments and Issues Related to the Policy on Longer-Term Program Engagement](#)," (PIN/06/96, 08/10/06); report entitled "[Review of Ex Post Assessments and Issues Relating to the Policy on Longer-Term Engagement](#)"; and "[Ex Post Assessment of Members with Longer-Term Program Engagement—Revised Guidance Note](#)".

³ This report provides an update since the last report to the Executive Board from June 2011.

⁴ The Executive Board approved, on August 28, 2009, modifications to the procedures for EPAs in light of the Board discussion of [Omnibus Paper on Easing Work Pressures](#). The changed procedures are discussed in detail in the [Revised Guidance Note for Ex Post Assessment of Members with Longer-Term Program Engagement](#).

3. Fifteen members, all PRGT eligible (with Armenia and Georgia currently having both PRGT and GRA arrangements), met the LTPE definition as of June 27, 2012. Since the time of the last report, Burundi and Grenada were added to the list of countries with LTPE status. São Tomé and Príncipe and Zambia have ceased to meet the LTPE definition.
4. Should successor arrangements be requested, EPA updates for Armenia and Burkina Faso and an EPA report for Grenada would be required.
