Conference on Policy Responses to Commodity Price Movements

The Central Bank of the Republic of Turkey (CBRT), the International Monetary Fund, and the *IMF Economic Review* are organizing a conference on "Policy Responses to Commodity Price Movements." The conference will be hosted by the CBRT and will take place in Istanbul on April 6-7, 2012. The conference will provide a forum to discuss innovative research on policy responses to changes in commodity prices in advanced and developing economies and to facilitate the exchange of views among researchers and policymakers. For additional information on the conference, please visit <http://www.imf.org/external/np/seminars/eng/2011/tur/index.htm> or email Commodity2012@imf.org.
