This report presents research by IMF staff on issues of policy interest. The views expressed in this paper are those of the author(s) and do not necessarily represent the views of the IMF, its Executive Board, or IMF management.

We are grateful to Chanpheng Fizzarotti, Daniel Rivera Greenwood, and Ava Yeabin Hong (all Research Department) for excellent research assistance. The note benefited from useful discussions with Aqib Aslam, Romain Duval, and Emil Stavrev (Research Department), Sergio Sola (Middle East and Central Asia Department), Juan Rubio-Ramirez (Duke University), Sebastian Weber (European Central Bank), Juan Yepez (Pichincha); we also thank the IMF Spillover Taskforce for their insightful comments.
